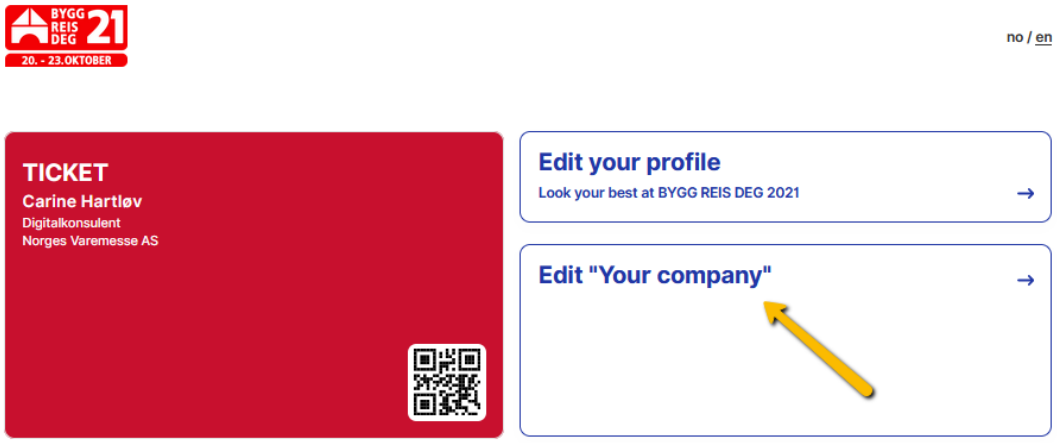
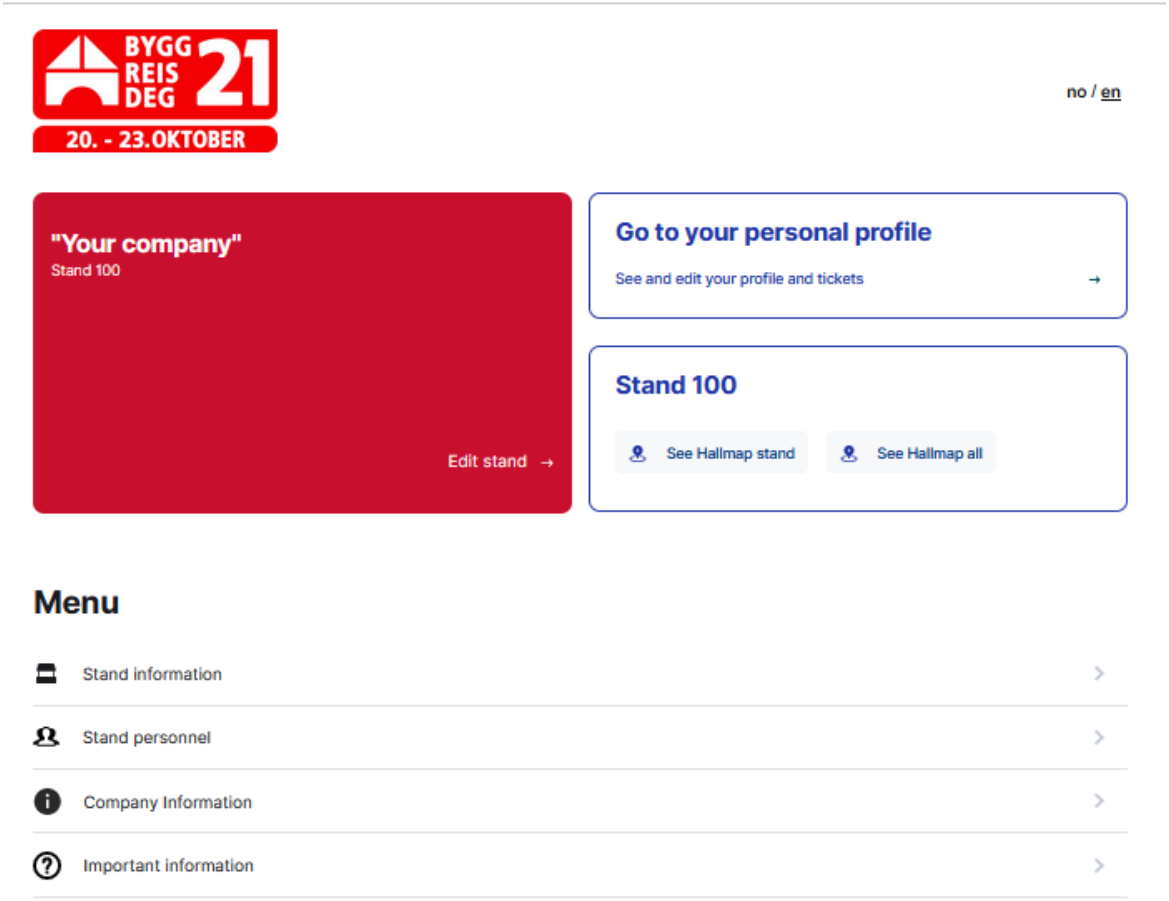
MyStand – Step by step

1. Go to https://min.byggreisdeg.no and use your email as username to login. First time; press “forgot password” to set your password.

2. Click at Edit «Your company”



3. At MyStand you can see the location of your stand and the complete exhibition floor.



4. In the Menu you will find:
    - Stand information – this is where you can add or change your company details which will appare in the exhibitor list.
    - Stand personnel – this is where you register your stand personnel for exhibitor pass. The list of invitations shows orange and green tickets. Orange means that the ticket is shared correctly. Green means that the recipient has accepted the ticket.

    - Company information – This is the company information and invoice address that we have registered for your company. Please contact Bygg Reis Deg if you need to change the information.
    - Important information – This is where you find information about:
        - Stand equipment
        - Assembly and dismantling
        - Delivery address
        - Catering
        - Regulations
        - And more…
