

## Welcome to your Arena for Ocean Solutions

Nor-Shipping is a globally leading exhibition and event programme based in Norway. This is where the maritime and ocean industries meet to connect, collaborate and facilitate sustainable success in the ocean space.

Taking place every two years, Nor-Shipping operates as a hub for international decision makers from both the private and public spheres. This is where shipowners and operators mix with politicians, equipment suppliers, NGOs, innovators, investors, business leaders and a broad range of ocean stakeholders in a unique environment designed to enable deals, build relationships and spread

knowledge. In all more than 50,000 delegates, from over 85 nations, attend Nor-Shipping's exhibition, conferences, seminars, executive meetings and social events. All are united by a desire to plot a successful and sustainable – both commercially and environmentally – pathway into the future.

Together we create an arena full of possibilities: A place to showcase innovation, excellence and business potential, and a collaborative platform to help realise it.

## Theme 2022 - #ACTION

### Experience #ACTION

Nor-Shipping is the destination for ocean opportunity. This is the arena where future ambitions become tangible plans – with all the people, technology, expertise and business concepts in one place to access, learn from and work with.

In 2022 our ISO 20121 certified event is focusing on #ACTION. We want to look at the people, concepts, and businesses that are making a positive impact NOW.

This is what the world wants to see. How to turn possibility into profit, how to transform challenges into solutions, and how to work towards a better tomorrow today. Make sure you're part of the #ACTION.

Join us at Nor-Shipping 2022, Oslo and Lillestrøm, 4-7 April.

### **Sidsel Norvik bio**

Sidsel Norvik has extensive sales, marketing and business building experience, particularly within the energy and offshore segments. Norvik joined Nor-Shipping in January 2020 following a stint as CEO of Energy Show Norway, two decades as Commercial Director for Upstream, the leading global oil and gas news source, and 10 years with Recharge, the global news platform for renewable energy.

After initially assuming the role of Commercial Director, with a focus on exhibition sales and developing Nor-Shipping's ground-breaking Blue Economy Hall, she moved up to the position of Director in late 2020.

Norvik now has overarching responsibility for the entire Nor-Shipping exhibition, activity programme and brand development. She is committed to fostering close industry dialogue and continually improving the Nor-Shipping offer to serve shipping, unlock opportunity, and enable responsible commercial activity in the ocean space.

## Event Calendar

Nor-Shipping is the global hub of the ocean and maritime industries. Every two years the world congregates in Oslo and Lillestrøm to do deals, forge partnerships, share knowledge, and discover the innovations that will help set the course for a sustainable business future.

We look forward to seeing you in Norway on 4-7 April. An **#ACTION** packed week of activity, inspiration and opportunity awaits.
